Committed to improving healthcare globally.

PRODUCTS LIST

LABORATORY SECTION

Delivering Quality
Laboratory Solutions
for Accurate Results
and Better Healthcare.

High-quality laboratory products
designed for accuracy, reliability
and safety in clinical and research
environments.

SAMPLE COLLECTION SUPPLIES

Essential consumables for safe, reliable and efficient collection, transport and storage of clinical samples.

- ✓ **VACUTAINER**
Sterile blood collection tubes for accurate hematology and biochemistry.
- ✓ **EDTA TUBE**
Anticoagulant tube used for hematology and blood bank testing.
- ✓ **LITHIUM HEPARIN TUBE**
For plasma chemistry testing and urgent electrolyte analysis.
- ✓ **PLAIN TUBE**
Used for serum collection in clinical and biochemical tests.
- ✓ **ESR TUBE**
For erythrocyte sedimentation rate (ESR) testing.

LABORATORY DEVICES

High-performance devices for accurate diagnostics and laboratory efficiency.

- ✓ **MICROSCOPE 107 LED**
High-resolution optical microscope with LED illumination for clear and accurate observations.
- ✓ **CENTERFUG**
Compact and reliable centrifuge for sample separation in clinical laboratories.
- ✓ **ESR FAST DETECTOR**
Automated ESR analyzer for fast, accurate and consistent results.

SAMPLE PREPARATION TOOLS

Precision tools for accurate sample preparation and analysis.

- ✓ **MICROSLIDES**
High-quality microscope slides with smooth edges for clear sample observation.
- ✓ **COVER GLASS**
Thin, clear cover glasses for protecting samples and providing sharp imaging.
- ✓ **BLOOD LANCET**
Sterile lancets for safe and pain-minimized blood collection.
- ✓ **YELLOW - BLUE TIP**
High-quality pipette tips for accurate and contamination-free handling.
- ✓ **TEST TUBES**
Durable and clear test tubes for multiple laboratory applications.

PRECISION TOOLS (For accurate liquid dispensing)

Engineered for precision, durability and consistent performance in every drop.

- ✓ **AUTOMATIC PIPETTE**
Ergonomic and accurate pipettes designed for precise liquid measurement and dispensing.

FOR LIQUID DISPENSING WITH YELLOW TIP AND BLUE TIP

Compatible pipette tips ensure accurate volume delivery, reduce contamination and improve laboratory efficiency.

ACCURATE
Precise results every time.

RELIABLE
Consistent quality you can trust.

PREMIUM QUALITY

PRODUCTS LIST

MEDICAL DEVICES SECTION

High-quality medical devices designed to deliver accurate performance, safety and reliability in healthcare and clinical environments.

1

Nebulizer (Italian Design)

High-efficiency nebulizer for effective aerosol therapy. Compact, quiet and easy to use. Ideal for home and clinical use.

2

Mesh Nebulizer

Advanced mesh technology for fine mist delivery and better medication absorption. Portable, silent and energy efficient.

3

Mercury Blood Pressure Monitor

Reliable mercury sphygmomanometer for accurate blood pressure measurement. Durable and easy to read.

4

Digital Blood Pressure Monitor

Automatic digital monitor with high accuracy and one-touch operation. Memory function for record tracking.

5

Manual Blood Pressure Monitor

Classic aneroid sphygmomanometer for precise blood pressure measurement. Sturdy, reliable and long lasting.

6

Stethoscope

High acoustic sensitivity for accurate auscultation. Lightweight, comfortable and durable for daily clinical use.

7

Pulse Oximeter

Measures SpO₂ and pulse rate quickly and accurately. Compact, reliable and suitable for all ages.

8

Oxygen Generator (5L, 10L)

High-performance oxygen concentrator with stable oxygen output. Available in 5L and 10L capacity models.

9

Electric Breast Pump

Comfortable and efficient electric breast pump with adjustable suction levels. Designed for safety and maximum comfort.

10

Manual Breast Pump

Ergonomic manual pump with gentle suction. Easy to use, clean and carry anywhere.

11

Measurement and Care Devices

Body Scale

Digital body scale with high precision sensors and clear LCD display. Measures weight accurately.

Baby Scale

Ergonomic baby scale for accurate weight monitoring of infants. Safe, comfortable and easy to read.

Baby Nasal Suction

Gentle and effective nasal aspirator for babies. Helps clear nasal congestion safely and easily.

PREMIUM QUALITY
Reliable, safe and durable medical devices.

ACCURATE PERFORMANCE
Engineered for precision and consistent results.

PATIENT CARE
Designed to improve comfort and wellbeing.

TRUSTED WORLDWIDE
Used by healthcare professionals globally.

PRODUCTS LIST

MEDICAL FURNITURE

High-quality, durable and ergonomically designed medical furniture to enhance patient care, safety and comfort in healthcare environments.

1

1 Function, 2 Functions

Designed to provide maximum comfort and support for patients.

- ✓ 1 Function: Backrest adjustment
- ✓ 2 Functions: Backrest and leg rest adjustment
- ✓ Sturdy frame with smooth, silent movement
- ✓ Ideal for hospitals, clinics and home care

2

IV STAND

For Safely and Efficiently Holding IV Solutions

- ✓ Adjustable height for versatile use
- ✓ Stainless steel pole for durability and rust resistance
- ✓ Stable 5-legged base for maximum safety
- ✓ Smooth rolling castors for easy mobility
- ✓ Suitable for hospitals, clinics and home care

3

TREATMENT TROLLEY

To Facilitate the Transport of Medical Tools and Supplies

- ✓ Strong and hygienic stainless steel construction
- ✓ Multi-purpose shelves and drawers for organized storage
- ✓ Smooth rolling wheels with brake for safe movement
- ✓ Ideal for hospitals, clinics, wards and emergency use

4

EXAMINATION COUCH

Steel, Iron

- ✓ Comfortable padded surface for patient relaxation
- ✓ Strong steel/iron frame for long-lasting durability
- ✓ Adjustable backrest for multiple examination positions
- ✓ Easy to clean, maintain and disinfect
- ✓ Ideal for hospitals, clinics and diagnostic centers

5

ACCORDION SCREEN

To Provide Necessary Privacy for Patients During Examination or Treatment

- ✓ Durable and lightweight frame for easy handling
- ✓ Foldable accordion design for compact storage
- ✓ Smooth-rolling castors for easy movement
- ✓ Available in multiple panel sizes and colors
- ✓ Ideal for hospitals, clinics and examination rooms

PREMIUM QUALITY
High-quality materials for long-lasting performance.
